Subject: WITHDRAWL OF REQUEST

Dear Mr. Leal:

As you are aware Trinity Law School submitted a request for a waiver from Guideline 7.11 dated May 23, 2016. In that request Trinity Law School requested that they be permitted to offer 24 units of on line legal education specifically to first year law students. The matter came for consideration on June 24, 2016. At that time additional information was requested and the matter was tabled until the meeting now set for August 26, 2016.

At this time Trinity Law School would withdraw their request. The matter is being re-evaluated and may be resubmitted at a later time. Trinity Law School would therefore respectfully request that this matter be removed from the agenda for August 26, 2016.

Thank you,

Dana C. Clark
Associate Dean
