Re: Request for approval for change of location

In accordance with Unaccredited Law School Rules 4.245 and 4.246(B), CalSouthern University School of Law seeks to approval for a change of location. California Southern University will be moving to a new location at 3330 Harbor Blvd in Costa Mesa, CA 92626 on November 11, 2016.

The university is moving in order to provide adequate facilities to support anticipated employee and student growth. CalSouthern will be the only business entity occupying the building. It is 46,000 sq. foot, close to the 405 and 55 Freeways as well as the 73 transportation corridor. Also, it has three floors. Comparatively, our current building is only 20,228 sq. foot and has two floors. A picture of the building is hereby enclosed – it can also be pulled up from google maps.

The new location is substantially bigger, easily accessible and will offer the university room for expansion. We fully expect the change to have a positive effect on the law school and it does not affect the law school's compliance with the rules.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Ellen Sampong
