A Member of the State Bar, No. 161735.)	
_____)	

On May 15, 2018, respondent Gerald Nicholas Casale, Jr., filed a motion to vacate his interim suspension ordered May 3, 2017 (effective May 30, 2017), due to his felony conviction. The motion asserts that the parties have reached a stipulation for discipline that includes a 60-day actual suspension and that respondent has served more than that time on interim suspension. On May 25, 2018, the Office of Chief Trial Counsel of the State Bar (OCTC) filed a response, not opposing the motion once the stipulation has been approved by the Hearing Department. We have confirmed that that stipulation recommending discipline including a 60-day suspension was approved and filed by the Hearing Department on May 30, 2018.

Good cause appearing, respondent's motion is granted. (Rules Proc. of State Bar, rule 5.342(D).) The suspension imposed by order filed June 1, 2017, is vacated, effective upon the filing of this order. This order does not limit or alter a suspension order, if any, imposed on respondent in another discipline or regulatory matter.
